## TERMS & CONDITIONS OF HIRE

**It is the responsibility of the hirer to ensure that all possible steps are taken to avoid injury to users or damage to the equipment (which includes all items supplied by Bounce & Party). PLEASE READ the following safety instructions and ensure that they are followed:**

- 1) A responsible person over 18 years of age must supervise each Inflatable, Bouncy Castle, Soft Play and/or equipment at all times.
- 2) This equipment has an age limit of \_\_\_\_\_, and height limit of \_\_\_\_\_. Please ensure that no-one over this age uses the equipment.
- 3) The inflatable/s are secured to the ground as deemed appropriate by Bounce & Party. Once the inflatable has been setup and secured it **MUST NOT** be moved.
- 4) No food or drink is to be consumed on or within the inflatable. No party poppers, silly string, henna or coloured streamers.
- 5) All shoes, badges and jewellery (e.g. large earrings, necklaces, etc.) must be removed to avoid damage to the equipment and injury to other users. It is recommended that spectacles and plastic alic bands are also removed.
- 6) Ensure that the equipment is not overcrowded and limit the numbers depending on the age and size of children using it according to the recommendations printed on the equipment (on or near the front step of most inflatables).
- 7) Do not allow children to take any hard or sharp objects onto the equipment, or anything large enough to block exits/entrances. Do not allow children to take balloons onto the equipment (burst balloons and strings can be a choking hazard).
- 8) No water or other liquid to be poured or sprayed onto the equipment (other than a reasonable amount for cleaning purposes) as it causes the surface of inflatables to become slippery, damages soft play, and can result in subsequent bookings being cancelled if the equipment is too wet to be delivered. If equipment is deliberately soaked you will be charged double your hire fee to cover our costs in subsequent cancelled bookings and drying time.
- 9) We will not setup in the event of rain or high wind speeds including gust over 24mph. We have the right to come and take down any inflatable during the party/event if we believe it's unsafe.
- 10) No smoking, barbecues, glass or animals on or near the equipment.

- 11) Reckless or boisterous behaviour must not be allowed. Avoid large children and small children from using the equipment at the same time.
- 12) Climbing, hanging, or sitting on the walls is dangerous and must not be allowed.
- 13) Children must use slides one at a time and must not climb on the top or on the sides of the slide.
- 14) Slides should be used in a sitting position, feet first – do not allow jumping from the top of the slide.
- 15) Safety mats must be positioned at the bottom of the slide and entrance.
- 16) Ensure that mats supplied with the equipment remain where they were positioned during installation.
- 17) Do not allow anyone to bounce on the step/front apron of the inflatable/s. The step is there to help users get on and off.
- 18) No-one with a history of back or neck problems should be allowed on the inflatable/s.
- 19) Do not allow users on the inflatable/s during inflation or deflation.
- 20) In the event of rain please remove children from the inflatable/s. Do not switch the blower/s off. Once the rain has stopped, please ensure that the entrance and exit to the inflatable/s are dried with a towel before children are allowed back on as they become slippery when wet.
- 21) Ensure that the vent on the side of the blower is kept clear at all times. Should a blower overheat or lose power, immediately remove children from the inflatable and switch the blower off at the mains. It should restart when switched back on again 1 or 2 minutes later. If it does not please inform us on the telephone number below.
- 22) Bounce & Party must be advised as soon as possible in the event of any injury requiring professional medical treatment. Treatment must be sought within 2 hours of the injury occurring and a detailed record of the incident and treatment must be provided to Bounce & Party .
- 23) This inflatable is only suitable for children, under 16 years old for bouncy castles and under 5 years old for soft play. Strictly no adults are to use the inflatable or enter in to soft play area's. Should adults be found to have used the bouncy castle a charge of £95.00 will be made to have the castle safety tested. Any damage found will be charged for to carry out the repairs.
- 24) If you are unsure about anything, please contact us on the telephone number above.
- 25) A £20.00 deposit is required for ball pool hires or soft play arena hire. The deposit will be returned in full if, on our arrival at the agreed time all ball pool balls are returned to the supplied bag or box provided.

**IMPORTANT NOTE:** The person that delivers the bouncy castle, inflatable, or hired party equipment will be the same person who will collect the bouncy castle, inflatable, or hired party equipment. **BOUNCE & PARTY DO NOT SEND ANYONE TO COLLECT THE EQUIPMENT ON OUR BEHALF!** You will be fully liable, negligence for new replacements and costs if the equipment is collected by anyone else except Bounce & Party.
